Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an opinion.

4. Basis of qualified conclusion

- a) During the quarter ended 30th June, 2025 the company has not made provision for interest, on late payment of cane dues amounting to Rs.1,263.31 lacs for sugar season 2024-25, had the company made provisions, the expense and loss for the quarter ended 30th June, 2025 would have been higher by Rs.1,263.31 lacs and its consequential impact on EPS.
- b) The company has taken the debt of IDBI, PNB & IFCI in Modi Industries Limited (MIL). As at 30th June, 2025 the company has net exposure of Rs.14,685.98 lacs. No Interest on the said amount has been provided as there is no reasonable certainty of its collection since the net worth of MIL has been completely eroded. Pending final settlement with MIL and without prejudice to the company's right for settlement the company has received a sum of Rs.2,500 lacs in December 2024 which has been held in Trust since the company has rejected the one time settlement proposed by MIL. There is no reasonable certainty of collection & timing of the entire dues (Including interest) and consequently we are unable to opine on the appropriateness of the same and its consequential impact on the financial statements.

- The Company operates under single activity, hence IND AS -108 'Segment Reporting' is not applicable
- c The figures of the quarter ended 31st March, 2025 are the balancing figures between the audited figures in respect to the full Financial year and the published figures of nine months ended 31st December, 2024 which were subjected to limited review by the statutory auditors.
- d During the quarter ended 30th June, 2025, the company has not made provision for interest on late payment of cane dues amounting to Rs.1263.31 lacs for the sugar season 2024-25. Had the company made provisions, the loss for the quarter would have been higher by Rs.1263.31 lacs and its consequential impact on EPS.
- e (1)The Hon'ble Supreme Court vide its order dated 23.04.2018 has upheld the order passed by the Hon'ble High Court of Judicature at Allahabad dated 9th March,2017 in PIL No. 67617/2004, where the said court has set aside the decision of the State Government for the waiver of interest for the year 2012-13, 2013-14 and 2014-15 and proceeded to ask the Cane Commissioner to take a final call in the matter. Pending final order, the Company has not made provision for interest on the late payment of cane dues for the years 2012-13, 2013-14 and 2014-15. The Matter is Sub-Judice. Under the power vested with the Cane Commissioner (U.P.) for waiver of interest under UP Sugar Cane (Regulation of Supply & Purchase) Act, 1953 in respect of loss making/sick companies, the company had made an application to Cane Commissioner (U.P.) for waiver of interest on cane dues. Pending receipt of the Cane Commissioner's decision, no interest has been provided on the cane dues. The management is confident that interest waiver will be granted to the company therefore the company has decided to account for the same upon decision in the matter/payment.

(2) The Hon'ble high court has vide its order dated 21st July, 2025 issued instruction to Collector, District Baghpat, to recover the balance cane dues for crushing season 2024-25 within a period of two months from the date of true attested copy of this order is placed before the Collector, District Baghpat, further the cane commissioner has already issued a recovery certificate dated 26th May, 2025 for payment of cane dues of crushing season 2024-25.

- b The Company operates under single activity, hence IND AS -108 'Segment Reporting' is not applicable.
- c The figures of the quarter ended 31st March, 2025 are the balancing figures between the audited figures in respect to the full Financial year and the published figures of nine months ended 31st December, 2024 which were subjected to limited review by the statutory auditors.
- During the quarter ended 30th June, 2025, the company has not made provision for interest on late payment of cane dues amounting to Rs.1263.31 lacs for the sugar season 2024-25. Had the company made provisions, the loss for the quarter would have been higher by Rs.1263.31 lacs and its consequential impact on EPS.

Pending final order, the Company has not made provision for interest on the late payment of cane dues for the years 2012-13, 2013-14 and 2014-15. The Matter is Sub-Judice. Under the power vested with the Cane Commissioner (U.P.) for waiver of interest under UP Sugar Cane (Regulation of Supply & Purchase) Act, 1953 in respect of loss making/sick companies, the company had made an application to Cane Commissioner (U.P.) for waiver of interest on cane dues. Pending receipt of the Cane Commissioner's decision, no interest has been provided on the cane dues. The management is confident that interest waiver will be granted to the company therefore the company has decided to account for the same upon decision in the matter/payment.
